HOMECOMING DAY

It was "I Love Bulldog Day" Saturday at the Old Rochester Regional High School football game with festivities at half-time. Three floats were entered in the parade and are shown on the cover. Judges were Mr. and Mrs. Richard Mello, Mrs. Eleanor Suesens, Mr. Richard Threlfall and Mr. John Atkinson.

The annual Homecoming Dance was held at the school Saturday night when Kristen Holden and Timothy Lanagan, both Juniors, were crowned the Queen and King. Kristen is the daughter of Mr. and Mrs. Thomas Holden of Mattapoisett, and Timothy is the son of Mr. and Mrs. James Lanagan of Mattapoisett.

Other candidates for King and Queen were: Seniors, Cheryl Falcon and John Gallini; Sophomores, Paula Centeio and David Parker; Freshmen, Susan Field and David Jardin.

iors as well as arts and crafts. The committee emphasized that the entire program should have a definite direction to avoid the confusions of the past. They recommended that playoffs be played close to the end of the season so that teams can field a team sharp and in practice. They said that umpiring should be done by adults who have attended approved clinics. Participants would be supplied with a hat and T-shirt only by the town. The town would not supply any uniforms. At the end of the season, every player would be awarded a certificate of participation. A sportsmanship trophy would be awarded to a choice made by the coaching staff to be awarded at a Spring-Summer banquet in August and a Winter banquet to be held in March.

The committee proposed a budget of $25,181. of which $4,500 would be for a part time coordinator and $6000. would be for resurfacing the tennis courts. Programs would account for $16,000 of the proposed budget.

SIDEWALK ISSUE

Mr. William Dexter again appeared before Selectmen to ask intervention on behalf of a Marion Road sidewalk voted by the 1976 town meeting. Mr. Dexter outlined his qualifications as a career engineer

A Shame too Deep

Editorial, D.C.J.

Some may claim that it rained on Veterans' Day. Maybe so. On the other hand, the disgraceful events in Iran, on which Americans are requested not to comment, together with the "successful" passage of Salt II by the House of Representatives, are too coincidental to be altogether discounted. It may well be that that flood from the heavens were tears of frustration for lives cut off in youth in a sacrifice for a nation which has grown too soft to understand the meaning of that word.

One day a year we are supposed to glance back in admiration for selflessness, duty and that archaic quality - honor. We are supposed to parade for an hour or two to commemorate bloody beaches and fields flowing with dreams broken and trampled in the heat of battle. Maybe that is enough. Some may think so - others may weep in concert with the sky.

There are those who believe that this nation can take a trusting and expedient

SENIORS' SLATE COMMISSIONED

The Mattapoisett Seniors' Club held installation of officers on November 8th at a meeting in St. Anthony's Church Hall.

Joseph C. Perry, retiring president, served as installing officer, commissioning Donald T. Welch, president; George C. Sheldon, vice president; Mrs. Mary Paiva, secretary; and Mrs. Ethel Gorun, treasurer.

Mrs. Sophie Sterling, a past president, presented gifts, in behalf of the club, to Mr. Perry, Mr. Welch, Mrs. Paiva and Mrs. Gorun as tokens of appreciation for their past services.

The new president was in charge of a fun musical program after the business session, leading the assembly in a sing-along, participating in a vocal duet with his wife, Jane, and singing later with the Local Yokel Male Quartet, the other members of which were Edmund Perry, Joseph C. Perry and Franklin Harriman. Not to be outdone by the male singers, the "Bubblettes", Ethel Gorun, Jane Welch, Betty Heuberger

and Mary Frates, costumed intriguingly, displayed their vocal abilities. All of their talents were recognized with several rounds of applause.

For the finale, a dozen members formed a "Super Boogie Band", led by Frank Bogie, with the members using several bizarre instruments during a parade around the hall.

Mrs. Doris Kinney was pianist for the extravaganza, after which special refreshments were served by a committee headed by Mary Frates.

Plans for the club's annual Christmas dinner party were announced at the meeting and tickets for the event went on sale. The festivities will be held December 16th at 1 p.m. at the Harbor Beach Restaurant. O.R.R. Sports

The Old Rochester fall sports season is winding down. The ORR Varsity soccer team, the J.V. soccer team, the ORR field hockey squad, and the J.V. and freshman volleyball teams have all completed their seasons.

The only teams that are still active are the varsity volleyball team and the football teams. The volleyball is playing some State Tourney matches. The volleyball team came in second behind the Wareham squad in their league.

The J.V. football team is doing outstanding this year. They have been pulling off victories left and right. Their record is a strong 5-1. In a recent game, the ORR squad defeated Seekonk by a score of 26-6. Jeff Rezendes led the offense by scoring two touchdowns. Also scoring were Mike Rezendes and Brent Spitnale. Scott Purtell added a two-point conversion. The ORR squad also defeated New Bedford Voke. Brent Spitnale scored the only touchdown of the match. The team also made a safety to make the final score 9-0.

The Freshman football team is also doing very well this year. Lately, the squad defeated Seekonk 20-0. Scoring for the Freshmen were Gary Sherman, Eric Zell, and Ger-

Bowling League

ROCHESTER

With the help of Gary Gray's 380, Nanfelts frustrated Sturtevant and Hook's attempt to regain its winning ways. Johnny Hayes' 359 was not enough to stop the "Minks" from taking three points. Marion Golf Course (Charlie Savery, Jr. 401) were also the recipients of three points at the expense of Guaranteed Pest Control whose top bowler was Eddie Strawn with 390. An excellent performance by Bob Jefferson (456) paved the way for a two point win by BowlMor over Herb's T.V. Bart Cummins was high for Herb's with 344. Larry Gracia perfected his lob ball and belted out a 439 for Hartley Saw Mill in a two-point win over Bourassa Hardware. Pete Przystarz and Gerry Bourassa both had 358 for the hardware boys.

Jubilee Celebration

TWENTY-FIFTH ANNIVERSARY

During the Seventy-Fifth Jubilee of our beloved diocese of Fall River, we here at St. Anthony's also rejoice in our Twenty-Five years as a parish.

On May 19, 1905, at the invitation of Bishop Stang of Fall River, three Fathers of the Sacred Hearts arrived from Europe at their first foundation in Fairhaven, Mass. One of the first missions created by the newly established parish of St. Joseph's was a mission parish of St. Anthony's in Mattapoisett. The first mass was said by Father Stanislaus in town hall in 1906.

A short time later, an old Adventist Church on Main Street was bought and used for a first mission. In 1911, a new chapel was built on land donated by Mrs. Dennis Mahoney. The chapel was enlarged and improved with the addition of a hall in 1924. Ten years later, the church was enlarged and renovated again.

On March 6, 1954, St. Anthony's was established as a parish, and on April 21, 1974, the present church was blessed and dedicated by our present Bishop, His Excellency Daniel A. Cronin.

We rejoice as a parish family, for "together, we did it", seems to be our theme.

Szep answered a barrage of the students' questions on subjects ranging from his childhood and education to political views and the actual process of producing a commentary in cartoon form. Two of the students, Matt Dimock and Scott Smith, brought political cartoons they had drawn, and Mr. Szep made suggestions and encouraged them to try a commentary-style cartoon for Kids' Column, focusing on a school issue. School photographer Keven Jackson took pictures, while co-editors Charles Marlio and Monica Mello and assistant editor Tom Longo joined in the discussion and questioning. The group then proceeded to the promotion department to view a film presentation of the workings of the various sections of the paper. A trip to the sports department and and the wire services room provided a glimpse of the Globe's modern computerized operation.

The visit with Mr. Szep was certainly the highlight of the trip. His interest in the students and generosity with his time made the visit an exceptionally valuable experience.

DIVING & MARINE BIOLOGY PROGRAM

Kevin O'Shaughnessy, teacher at Tabor Academy, visited the 5th grade Project L.I.F.T. classroom of Peter Farrell at the Sippican School on Monday, October 29th. He showed slides from diving trips in the Caribbean and the Pacific, including work with one of Cousteau's sons on a sistership of "Calypso". Underwater shots by him and by Tabor students revealed all kinds of exotic marine plant and animal life, shipwrecks, and unusual underwater geological formations. Mr. O'Shaughnessy's visit gave

TOURED LIBRARY AT SMU

The 5th grade Project L.I.F.T. class of Ms. Joanne Andershoinis and Mrs. Helen Nowak of Memorial School, Rochester, toured the library facilities at SMU recently.

The students were able to experience first-hand the extensive audio-visual equipment, viewing themselves on video-tape and observing the control room in operation.

A beginning research assignment was carried out as students searched card index files and found appropriate books. All were impressed with the seemingly enormous size of the college library. Further use of the facilities will be made as the students become involved with in-depth individualized research projects.

Karate is a practical, empty-handed fighting technique, a formal method of physical and mental training, and a competitive combat sport. Contests of sport karate are held as sparring matches, in which some karate techniques are not permitted and only a few used very often. LEADERS CLUB SEEKS NEW MEMBERS

The New Bedford YMCA has begun a recruitment drive to attract high school students to its Leaders Club.

The purpose of the Leaders Club is to help out the professional staff at the Y, but more importantly, it gives young people an opportunity to get involved in youth work, perhaps for school credit, or as an introduction to a later life career such as a teacher, probation officer, social worker, etc.

We recruit, train and supervise young people in the areas of youth sports, values, education, group work, and dealing with people.

Leaders work with small groups of children between the ages of 6 - 13, assisting in the gym and pool. Each group has its own identity, name, and roster of regular members.

New leaders are put in groups to learn the workings of that group and to become familiar with YMCA Youth Programs.

A Leaders Club membership also has many immediate advantages such as YMCA membership, a voice in program planning and implementation, a chance to make new friends, a sense of accomplishment, training in First Aid, aquatics and sports, and a feeling of being needed and involved.

If you think you might like to join us, come by the YMCA Youth Department any day between 2:00 and 6:00 p.m.

vited to underwrite sponsorship of individual teams, according to Thomas Barker, Youth Director of the YMCA here.

YBA is a basketball program for boys and girls from 8-18 years of age. Developed and sponsored jointly by the YMCA and the National Basketball Association players, it emphasizes fair play, good sportsmanship and developing a sense of values.

YBA is now in the fifth year. During the first four seasons more than 600 YMCAs and 300,000 youngsters nationally were into YBA. This is the first season for the New Bedford YMCA.

Each team consists of nine players and every team member gets to play in every game, Mr. Barker said, adding that it's one of the unique features of YBA.

Sign-ups are slated for Saturday, November 17th, at the New Bedford YMCA on South Water Street. Registration will be limited to the first 90 boys and/or girls who sign up. There are no tryouts in YBA. Each child will be assigned to a team and will have equal opportunity to play.

"In addition to players, we will provide opportunities for coaches, team and league managers, referees and other volunteers," Mr. Barker said.

YBA players will receive their basketball YBA player certificates. There is a registration fee which includes the team and invididual player kits.

"A limited number of YBA scholarships, either full or partial, will be available at the Y for youngsters unable to pay the full amount," said Mr. Barker. Sponsors and other donors are making the scholarship funds available.

For more information on YBA basketball, call Thomas Barker at the New Bedford YMCA at 997-0734.

Prenatal Classes

The next series of B.A.C.E. Prepared Childbirth classes begin on Sunday evening, December 9th, in Fairhaven, and on Monday evening, January 7th, in North Dartmouth.

To insure informal and individualized instruction, enrollment is limited and early registration is encouraged. For more information, call Lisa Elliott, 994-1250; or Peggy Matteson, 996-3474.

Childbirth is an important life event to be eagerly anticipated, to be embarked upon with full awareness of the birth process, to be experienced with confidence and active participation, and to be recalled with joy and pride.

It is the intent of B.A.C.E. Prepared Childbirth classes to assist you in the realization of childbirth as an emotionally and physically satisfying experience.

Small informal classes are taught on weekday evenings by a certified prepared childbirth instructor. Intensive preparation is couple-oriented with specific training for the father as labor and delivery coach.

The eight-session series includes: short lectures, discussions, and films on: anatomy, physiology and nutrition, stages of labor and delivery, medication and anesthesia, hospital procedures, emotional aspects of pregnancy and childbirth, breastfeeding and principles of newborn care, adapting to motherhood and fatherhood; exercise periods on: limbering and relaxation, breathing techniques, pushing techniques and comfort measures.

Expo will return to the Commonwealth Pier Exhibition Hall on Northern Avenue for Thanksgiving weekend. This show drew over 24,000 visitors last year. The show is juried and each exhibitor has to submit five slides of their work and one slide of their display presentation. The panel of judges then decides the best people from over 1,000 applications that were submitted. They selected 250 high quality exhibitors who will exhibit and sell over 10,000 handmade items. The mix of exhibitors has also been kept at a level to have the maximum selection of both traditional and contemporary crafts and art. The show is 90% crafts and 10% arts. Many of the exhibitors will also demonstrate their craft techniques in their booth areas. Glass workers, pewter sculpture, furniture and clothing demonstrations among others will be found at this show.

The show hours are Friday, November 23, from 12 noon to 10 p.m.; Saturday, November 24, from 10 a.m. to 10 p.m.; and Sunday, November 25, from 10 a.m. to 8 p.m. Admission is charged, with children under 10 free accompanied by parents. There is parking available across from the hall in Massport lot, fee charged.
